we know we've been emailing a lot about H.R. 1 [the For the People Act], but only because it's ABSOLUTELY important!

If the Senate passes this critical legislation, we'll not only expand voting rights, but we'll secure our Democratic majorities for DECADES.

But if McConnell succeeds in KILLING this bill, he'll be THRILLED. He'll steal back control of Congress. Joe Biden's presidency will be DOOMED!
