

DON'T BELIEVE THE SMEAR

Those who do not want the truth about the election are at it again!

This time they are trying to smear

JOVAN HUTTON PULITZER

because his patented **kinematic technology** can determine if there were **fraudulent ballots** in the **2020 election**.

- Process, Technology and system are 100% unbiased.
- #ScanTheBallots technology will **confirm** legal/valid ballots by a unique human voter ~ not a machine.
- Goal is 100% transparency.
- The system is real and can be verified, crosschecked, and demos can be performed.
- There is nothing to hide and the patent is public.
- **He is the SOLE OWNER of the patent for kinematic technology.**

The question for the enemies of Jovan: What do YOU have to hide?
